

4 Courses

Construction Project  
Management

Construction Scheduling

Construction Cost Estimating  
and Cost Control

Construction Finance

01/18/2017

**Ari Zingillioglu**

has successfully completed the online, non-credit Specialization

## Construction Management

Successful completion of the Construction Management Specialization indicates students have completed all 4 courses with topics ranging from project initiation and planning, project scheduling, construction cost estimating and cost control, and the value of money in the construction industry. Real-world examples by industry experts allowed students to receive up-to-date insights into large-scale international construction management projects.

Ibrahim Odeh, Ph.D.,  
MBA, Instructor,  
Department of Civil  
Engineering and  
Engineering Mechanics,  
Columbia University.
